To start the hunt
Here is your first of many clues
You'll find your next hint
Where you grab something to use
when you go "Aahoo"!

**C LUE 6**

Organization is the key
To living with peaceful glee
Pens, Pencils and Crayons will
help you out
And a clue will be somewhere
about!

**C LUE 2**

Most of the time,
you sparkle and shine,
Twinkle and gleam...
Your next hint is somewhere
That you get clean

**C LUE 7**

It spins and spins
around and around
Where many soap suds will be found.
"Washing" is a part of its name
The next clue will
help you in this game!

**CLUE 3**

Notes, stickers, letters and such
We love to send
and receive very much.
The place where a flag flies
Is where you next clue may lie.

**C LUE 8**

We are at the end,
but don't be blue
Good things come with the last clue.
Follow your bellies
to where you bake
Finding your prize should
be a piece of cake!

**CLUE 4**

Don't forget to wipe
off your feet
On this special mat.
This place catches so much dirt
And is where your
next clue is at.

**C LUE 9**
**CLUE 5**

Bikes, balls or outdoor toys
Are kept in a special
place you see...
Run to that space
and look around
And there the next clue will be!
